Important Safeguards

When using electrical appliances, basic safety precautions should always be followed, including the following:

- 1 Read all instructions carefully.
- 2 Do not touch hot surfaces. Use handles only.
- 3 To protect against risk of electric shock, do not immerse appliance, cord, or plug in water or other liquid.
- 4 Close supervision is necessary when any appliance is used by or near children.
- 5 Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
- 6 Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or is dropped or damaged in any manner. Return the appliance to an authorized service facility for examination, repair, or electrical or mechanical adjustment.
- 7 Never use this appliance without the drip tray in place underneath grease spout.
- 8 The use of accessory attachments not recommended or sold by the appliance manufacturer may cause fire, electric shock, or injury.
- 9 Do not use outdoors.
- 10 Do not let cord hang over edge of table or counter or touch hot surfaces, including the stove.
- 11 Extreme caution must be used when moving an appliance containing hot oil or other hot liquids.
- 12 Do not use this appliance for other than intended use.
- 13 This appliance is for household use only.
- 14 Extreme care must be used when operating this appliance as surface temperatures get extremely hot.
- 15 Do not place on or near a hot gas or electric burner, or in a heated oven.

Save These Instructions

This appliance has a polarized plug (one blade is wider than the other). As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

A short power-supply cord is provided to reduce the hazards resulting from entanglement or tripping over a longer cord. An extension cord may be used with care; however, be sure the marked electrical rating is at least as great as the electrical rating of this appliance. The extension cord should be positioned such that it does not drape over the counter or tabletop where it can be pulled on by children or tripped over. The electrical rating of this appliance is listed on the bottom panel of the unit.

Know Your Panini Maker

Before Your First Use

Carefully unpack the appliance and remove all packaging materials. Ensure that the unit is unplugged. Remove the cooking plates and wash in warm soapy water or place in the dishwasher.

Caution: Do not immerse the appliance, cord or plug in water. Never operate this appliance without the grill plates locked into position on the main housing. See “Adding and Removing Plates” on page 7.

To remove any dust that may have accumulated during packaging, wipe the exterior with a clean, damp cloth.

Important: Do not use harsh or abrasive cleansers on any part of the appliance.

About Your Wolfgang Puck Panini Maker and Multipurpose Grill

The English translation of Panini means little breads, or rolls and is equated with sandwiches. In the United States, Panini has come to denote a grilled Italian sandwich.

The Panini sandwiches of today are generally made using fresh, crusty Italian breads. Your Wolfgang Panini Maker uses the weight of the heated upper grill plate to grill both sides at the same time. Use your Panini Maker to prepare authentic Italian Panini's and Cuban sandwiches, as well as to grill poultry, meat, fish, sausages, and a variety of other foods. Your Panini Maker is designed to sear foods perfectly. The special hinged top plate inherent on all Panini grills allows the grill to be used on extra thick sandwiches and food items.

With the purchase of the optional waffle plates or flat griddle plates, you can expand the versatility of this unit even further.

Adding and Removing Plates

Caution: Always ensure that your Panini Grill is unplugged and has completely cooled prior to removing or adding plates.

Assembling the Plates

Standing in front of your unit grasp the bottom plate and line of the two rear locking pins on the back of the plate with the receptacles in the rear of the unit. Gently lay the plate down and apply downward pressure to snap the front plate locks into place (see figure 1)

figure 1

The top plate is identified by the nub which appears on the reverse side towards the front (see figure 2). Align the two rear locking pins on the back of the top plate with the two receptacles in the top housing. Gently press the plate in until it locks into place.

figure 2

Removing the Grill Plates

With your unit in the open position, remove the bottom plate by pressing down on the bottom plate locks located on the front of the unit (see figure 3) while lifting the plate up and towards you.

figure 3

With your unit in the open position, press down on the single top plate lock located in the center front of your unit while keeping one hand on the plate itself. (see figure 4). Guide the plate forward with your hand and lift up to remove.

figure 4

Using Your Panini Maker

Your Panini Maker is best used with thick, crusty breads, such as French, Italian, and focaccia. The top grill plate is weighted to compress and grill a Panini to perfection in about 3 minutes (depending on the bread, filling, and personal taste). Your Panini Maker can also be used to grill a variety of food items, such as meats, poultry, fish, and vegetables.

- 1 **Completely pull out Drip Drawer prior to use.** Place drip tray underneath grease runoff so that any drippings will fall into the tray.
- 2 **Preheat the grill to the desired temperature.** Close the cover and plug into a 120-volt 60 HZ AC outlet only. The red light will turn on indicating that the appliance is preheating. After approximately 8 minutes, the green light will turn on indicating that the appliance is preheated and ready for use.
- 3 Open the lid using the black handle only, being careful not to touch any hot surfaces such as the housing or grill plates. We recommend the use of oven mitts or potholders to prevent the risk of injury.
- 4 Place items to be cooked on the bottom grill plate.
- 5 Lower the cover and cook the food according to desired temperature or doneness. Do not apply excessive force to close the lid and do not lock latch on handle.

Note: The green ready light is thermostatically controlled and will cycle on and off during cooking to ensure that the correct temperature is maintained.

Important: Grill only with the lid in the closed position.
- 6 When you have finished using your appliance, disconnect the plug from the wall and allow the unit to cool down completely before cleaning.

Helpful Hints

- Be sure to always wash the grill plates after each use to remove any residue that may have accumulated.
- Do not use sharp objects or attempt to cut food on top of the grill plates.
- **Always preheat for 8 minutes until the green ready light illuminates before use. Have all ingredients in place before cooking starts.**
- For best results, spread mayonnaise on both outer sides of panini sandwiches before cooking. This will give darker, crustier grill marks on the bread.
- Do not use metal utensils, as this may damage the nonstick surface of the grill plates.
- If additional sandwiches are desired, lower the lid to preserve the heat while you prepare the additional sandwiches.
- Let sandwiches cool slightly before eating. Cheese, especially, becomes very hot. Soft or melted fillings will firm slightly.
- The “High” setting on the dial was designed for searing and blackening. It is also excellent for grilling tuna steaks. Simply place a 1-inch tuna steak on ribbed grill plates for 1 - 2 minutes for a perfect medium rare, or to desired doneness.

Care and Cleaning

Other than the cleaning mentioned in this manual, no other servicing or maintenance of this appliance is required. Repairs, if necessary must be performed by an authorized service center.

Caution: Do not immerse the appliance, cord or plug in water. Before cleaning and when finished using your appliance, unplug power cord from outlet and allow to cool completely.

Remove the grill plates according to the instructions referenced in the “Adding and Removing Plates” section on page 8 of this manual. The grill plates can be hand washed in warm soapy water or placed in the dishwasher. Always dry plates thoroughly before assembling onto grill housing. To remove stubborn stains or food, use a nylon brush or other utensil safe for nonstick surfaces.

Do not use steel wool or scouring pads. Do not use abrasive cleansers. Wipe the exterior with a clean, damp cloth. Dry all parts thoroughly before using again or storing.

Grilled Vegetable Panini

4 servings

INGREDIENTS

1 large focaccia bread, halved horizontally
1 large red pepper, quartered
1 medium sweet onion, thinly sliced thin
1 tablespoon Italian dressing
1/2 cup pesto sauce
1 medium eggplant, sliced in 1/2-inch rounds
1/2 cup Fontina cheese, shredded

METHOD

- 1 Set your adjustable temperature control between settings 8 and 10 and allow your Panini Maker to preheat until the green ready light illuminates.
- 2 Grill red pepper in Panini Maker for about 5 minutes, or until tender.
- 3 Put onion and eggplant in a bowl and cover with Italian dressing.
- 4 Grill eggplant slices in Panini Maker for 4 to 5 minutes. Repeat with remaining eggplant and onion slices.
- 5 Spread bottom slice of focaccia bread with pesto sauce and top with cooked peppers. Top with grilled eggplant and onion. Top with shredded Fontina cheese. Cover with top slice of focaccia bread.

Salmon Panini

4 servings

INGREDIENTS

4 salmon fillets (3 to 4 ounces each), boned
1 teaspoon olive oil
1/2 teaspoon salt
1/2 teaspoon pepper
1/4 teaspoon fresh dill weed
1 loaf unsliced French bread
4 tablespoons Russian salad dressing
1 tablespoon capers
4 medium purple onion slices, razor thin
2 cups arugula, watercress or lettuce leaves

METHOD

- 1 Set your adjustable temperature control between settings 8 and 10 and allow your Panini Maker to preheat until the green ready light illuminates.
- 2 Rub your fingers over salmon filets and check for bones. Remove any you may find with tweezers.
- 3 Rub salmon filets with olive oil and sprinkle with salt, pepper and dill.
- 4 Place salmon filets in grill, lower lid, and cook for 5 minutes or until cooked through.
- 5 While salmon is cooking, cut French bread in half horizontally. Spread bread with Russian dressing. Sprinkle capers on bottom slice of bread.
- 6 When salmon is finished cooking, remove to cutting board, and while grill is still hot, carefully wipe grill surfaces with a damp towel.
- 7 Slice salmon and place on top of capers. Top with onion slices and lettuce leaves. Place top slice of bread on sandwich and cook in the Panini Maker for 2 minutes to toast the bread.
- 8 Slice into 4 pieces diagonally. Serve warm.

Barbecued Shrimp “BLT”

4 servings

INGREDIENTS

1 teaspoon vegetable oil
5 large shallots
1/2 cup white wine
1 tablespoon champagne vinegar
1/2 cup heavy cream
1/2 cup unsalted butter, cut into small pieces
Juice of 1/2 medium lemon
1/4 teaspoon salt
1/4 teaspoon fresh ground pepper
3 tablespoons vegetable oil
1/2 pound medium shrimp, peeled and cleaned
1/2 cup mayonnaise
12 thin slices sourdough
2 cups baby lettuces
1/2 pound tomato, cut into 12 slices
12 thick slices bacon, cooked and drained
salt and pepper, to taste

METHOD

- 1 Set your adjustable temperature control between settings 9 and 10 and allow your Panini Maker to preheat until the green ready light illuminates.
- 2 Prepare the sauce: In a medium saucepan, heat 1 teaspoon vegetable oil. Sweat shallots for about 2 minutes. Do not brown. Deglaze pan with wine and vinegar and reduce slightly. Pour in cream and reduce sauce by half. Whisk in butter and strain into a clean pan. Season with lemon juice, salt and pepper. Keep warm.
- 3 Sprinkle shrimp with 3 tablespoons vegetable oil. Grill shrimp in Panini Maker for 1-2 minutes. Do not overcook. Drain shrimp and cut in half lengthwise.
- 4 To assemble one sandwich, spread a little mayonnaise on one slice of bread and top with a little lettuce. Top with three slices of tomato, season lightly with salt and pepper, and place bacon on top of tomatoes. Top with second slice of bread, a thin layer of mayonnaise and a little lettuce. Heat the shrimp by placing in the warm lemon butter. Place warmed shrimp on lettuce. Top with third slice of bread. Repeat with remaining sandwiches.
- 5 Place sandwiches in Panini Maker to toast the bread.

Chicken Saté with Mint Vinaigrette

6 servings, 24 skewers

INGREDIENTS

2 boneless skinless chicken breasts (5 ounces each),
sliced into 12 strips each

Marinade:

1 1/2 teaspoons curry powder
1 teaspoon fresh ground pepper
1/2 teaspoon salt
1/2 teaspoon ground cumin
2 tablespoons peanut oil

Mint Vinaigrette:

2 large egg yolks, beaten
1/4 cup rice wine vinegar
2 tablespoons fresh mint, finely chopped
1 tablespoon soy sauce
1/2 teaspoon ground coriander
1/2 cup peanut oil
1/4 teaspoon salt
1/4 teaspoon fresh ground pepper

METHOD

- 1 Cut the chicken breasts into 12 - 3 x 1 inch strips lengthwise. Thread a 6-inch skewer into each chicken strip lengthwise and arrange on a large platter or baking tray.
- 2 Prepare the marinade: In a small bowl, combine curry powder, pepper, salt, and cumin. Spoon 2 tablespoons peanut oil over chicken strips, turning to coat well, then sprinkle dry ingredients on both sides. Marinate for 1 hour, refrigerated.
- 3 Prepare the vinaigrette: In a food processor or blender, combine egg yolks, vinegar, mint, soy sauce and coriander. With motor running slowly, pour in 1/2 cup peanut oil and blend until smooth. Transfer to a bowl. Season with salt and pepper and refrigerate, covered, until needed.
- 4 Set your adjustable temperature control between settings 9 and 10 and allow your Panini Maker to preheat until the green ready light illuminates.
- 5 Grill half the skewers at a time in the Panini Maker for 2 minutes. Repeat with remaining skewers.

PRESENTATION

Limited Warranty

This warranty covers all defects in workmanship or materials in the mechanical and electrical parts, arising under normal usage and care, in this product for a period of 12 months from the date of purchase provided you are able to present a valid proof-of-purchase. A valid proof-of-purchase is a receipt specifying item, date purchased, and cost of item. A gift receipt with date of purchase and item is also an acceptable proof-of-purchase. Product is intended for household use only. Any commercial use voids the warranty.

This warranty covers the original retail purchaser or gift recipient. During the applicable warranty period within normal household use, we will repair or replace, at our discretion, any mechanical or electrical part which proves defective, or replace unit with a comparable model.

To obtain service under the terms of this warranty, call Toll Free (800) 275-8273.

THIS LIMITED WARRANTY COVERS UNITS PURCHASED AND USED WITHIN THE UNITED STATES AND DOES NOT COVER:

- Damages from improper installation.
- Defects other than manufacturing defects.
- Damages from misuse, abuse, accident, alteration, lack of proper care and maintenance, or incorrect current or voltage.
- Damage from service by other than an authorized dealer or service center.

This warranty gives you special legal rights and you may also have other rights to which you are entitled which may vary from state to state.
